DESCORCHADOS 2017: ONCE AGAIN WITH GREAT SCORES

"These excellent results, as well as those we have obtained in the past editions of Descorchados, speak to the consistency of our wines. They are the result of well-planned teamwork. Every step aims at excellence and the highest quality in alignment with our commitment to offer wines that make us proud."

Gavin Taylor, Viña Anakena Winemaker

ALWA CABERNET SAUVIGNON

A ruby - red colored wine with violet highlights. It is complex on the nose with lush red fruit flavors and floral notes that suggest violets and lavender. Shows tremendous complexity on the palate with notes of fresh black and red fruit intermingled with pepper and caramel. Fine, velvety tannins are complemented by excellent acidity that brings out the freshness and balance of this silky wine. Ideal with stews, red meats, and cheeses.

TAMA CABERNET SAUVIGNON

An elegant, complex Cabernet Sauvignon with notes of blackcurrant and dark chocolate on the nose, alongside hints of coffee and truffles. Generous and full on the palate, with rounded tannins and great length. Perfect with roast beef or hard cheeses

ONA RED BLEND

This Cabernet Sauvignon, Syrah and Carmenere blend presents notes of plums, cherries and dark chocolate on the nose, mingling harmoniously with aromas of vanilla and spice. An ideal accompaniment to stews, red meats and cheeses.

ONA SYRAH

Deep violet in color, this Syrah presents aromas of blackberries intermingled with notes of almond and vanilla. The palate has silky ripe tannins complemented by sweet spice from barrel ageing. Ideal with lamb, beef, and cheeses.

DESCORCHADOS, Guide to Chilean Wine, by Patricio Tapia

The Descorchados wine guide offers a complete panorama of Chilean wines, from the most traditional to the most innovative. More than 1,800 wines from over 200 Chilean wineries were tasted for the 2016 edition, from the best of the mass produced wines to a careful selection of small producers, it provides cross section of wine in Chile today.

Descorchados began in Chile, but now also includes editions for Argentina, Uruguay, and Brazil. They are distributed in Latin America, United States, China and Canada.
