ANAKENA SHONE IN SAN FRANCISCO: TWO NEW GOLD MEDALS

A panel of 27 judges composed of wine writers and members of the trade met in San Francisco, California in September to taste more than 380 Chilean wines and determine the best in each category. Just 22% earned gold medals—and Viña Anakena took home two! One for ONA Red Blend and the other for TAMA Carmeneré.

All of the wines Viña Anakena presented received a gold, silver, or bronze medal.

The palate has well-rounded, barrel-polished tannins and ends with a complex, lingering finish.
